PURPOSE

To explain to our school community the Department's and Yarram Primary School's policy requirements and expectations relating to students using mobile phones and other personal mobile devices during school hours.

SCOPE

This policy applies to:

1. All students at Yarram Primary School and,
2. Students' personal mobile phones and other personal mobile devices brought onto school premises during school hours, including recess and lunchtime.

DEFINITIONS

For the purpose of this policy, "mobile phone" refers to mobile phones and any device that may connect to or have a similar functionality to a mobile phone such as smart watches and tablets.

POLICY

Yarram Primary School understands that students may bring a personal mobile phone to school, particularly if they are travelling independently to and from school.

At Yarram Primary School:

- Students who choose to bring mobile phones to school must leave them in the office and have them switched off during school hours
- When emergencies occur, parents or carers should reach their child by calling the school's office.

Personal mobile phone use

In accordance with the Department's [Mobile Phones — Student Use Policy](#) issued by the Minister for Education, personal mobile phones must not be used at Yarram Primary School during school hours, including lunchtime and recess, unless an exception has been granted.

Where a student has been granted an exception, the student must use their mobile phone for the purpose for which the exception was granted, and in a safe, ethical and responsible manner.

Secure storage

Mobile phones owned by students at Yarram Primary School are considered valuable items and are brought to school at the owner's (student's or parent/carer's) risk. Students are encouraged not to bring a mobile phone to school unless there is a compelling reason to do so. Please note that Yarram Primary School does not have accident insurance for accidental property damage or theft. Students and their parents/carers are encouraged to obtain appropriate insurance for valuable items. Refer to Yarram Primary School's Personal Property Policy AND/OR the Department's [Claims for Property Damage and Medical Expenses policy](#).

Where students bring a mobile phone to school, Yarram Primary School will provide secure storage. Secure storage is storage that cannot be readily accessed by those without permission to do so. At Yarram Primary School students are required to store their phones at the school office.

Enforcement

Students who use their personal mobile phones inappropriately at Yarram Primary School may be issued with consequences consistent with our school's existing student engagement policies (*Student Wellbeing and Engagement, Code of Conduct and Bullying Prevention* policies).
