Help for non-English speakers

If you need help to understand the information in this policy please contact Yarram Primary School at the office 5182 5688.

PURPOSE

To explain to our school community how we manage requests for class placements for the following school year.

To provide each child with the opportunity to be part of a class of children that will allow them the best opportunity to learn.

To form well-balanced classes of children that consider the social, emotional, academic and physical characteristics of each child.

To ensure that optimum use is made of the prior knowledge that teachers, parents and others have of each child prior to class placement.

POLICY

The process that Yarram Primary School works through to plan each student's class placement begins months before the end of the school year. We understand that in certain situations, parents and carers may like to request that their child be placed with a particular friend or in a particular class.

Consideration will be given to gender, the previous class, each child's ability, behaviour and friendship groups, learning style etc. Individual needs and a whole school perspective must be considered, as well as considering social and emotional development.

Requests for placement with friends

Yarram Primary School recognises the importance of fostering and maintaining friendship groups. We also understand that it is equally important for students to mix and learn with peers who have different interests.

If you would like to request that your child be placed in a class with a particular friend or friends, please ensure that you make this request by November of the year prior so that we can consider your request in organising our classes for the following year.

Requests for class placements must be made in writing, outlining who you would like your child to be placed with and why. Requests can be addressed to the principal. We will not always be able to accommodate class placement requests, but will endeavour to take your wishes into consideration where possible.

Requests for placement with certain teachers

All teachers at Yarram Primary School are caring and committed educators and Yarram Primary School strives to ensure that all students are provided with a high-quality education.

Whilst we appreciate that you may wish that your child would benefit from being placed in a class with a particular teacher, we are generally unable to accommodate these requests. We will always endeavour to place our students with teachers who are best placed to suit their needs. We do not re-allocate students to different classes during the school year unless exceptional circumstances arise. Parents will be advised of the situation if it arises.

Requests for students to repeat a year level

Our school will follow the Department of Education and Training policy in the Department’s *Policy and Advisory Library* on Year Level Movement – see [Repeating a Year Level](#) policy.

We will regularly promote students to the next year level and will exercise our professional expertise and judgment in relation to these matters. Students are only able to repeat a year level in exceptional circumstances where Yarram Primary School considers it is required for the long-term benefit of the student e.g. considering their social, wellbeing and academic needs. We will ensure that parents/carers are advised of the options that we consider best meet individual student’s needs. Students will not repeat a year level without the consent of parents/carers.
